## RÉSONANCE

*Willamette Valley Pinot Noir 2022*

# 92 Points

A pretty blend of steeped plums and violet flowers introduces the 2022 Pinot Noir Willamette Valley. This is cool-toned and classic in feel, with ripe red and blue fruits that flow across textures of pure silk, leaving a tinge of sweet spice toward the close. An air of lavender lingers along with ripe blackberries and hints of sage as the 2022 tapers off with stunning length and gentle tannins. This is a wonderfully harmonious effort that will reward cellaring.
