WINE ENTHUSIAST MAGAZINE

MEDICI ERMETE

Unique Rosé 2021

91 Points

This Lambrusco is fresh and lively on the nose, with the bubbles pricking your senses as you take the first sniff. Strawberry and raspberry lead the way, accompanied by sweet green herbs and wafting aromas of pink rose, peony, and red carnation. The palate is light, lively, and fresh, making it an enjoyable glass from the moment it hits your tongue. Tart red berries, such as red currant and cranberry, are accented by citrus zest, adding a vibrant edge to the wine. A touch of salty minerality on the finish completes the experience, leaving you refreshed and craving another sip.
