Muse Cabernet Sauvignon 2021

98 Points

The third release of this wine shows blackcurrants, mint, spearmint, iodine, graphite and mussel shells. Medium- to full-bodied with very integrated tannins that are fine and super polished and that go on for minutes. Reserved and focused with a silky texture. An upgrade to this wine with the addition of 2.5% cabernet franc and 2.5% petite verdot to the cabernet sauvignon. Drink after 2028 but impressive now.
