Moulin a Vent Clos du Grand Carquelin

2022

92 Points

The 2022 Moulin-à-Vent Clos du Grand Carquelin delivers expressive aromas of wild berries, black cherries, mandarin rind, dried thyme and sage, cacao powder and candied ginger. On the palate, it's medium to full-bodied, with a concentrated core of fruit underpinned by sturdy but fine-grained tannins. It's youthfully firm and powerful but not overly assertive.
