PIGHIN

Sauvignon Blanc Friuli DOC 2020

90 Points

This solid Italian expression of Sauvignon Blanc is straw colored in the glass, with matchstick, peach, tangerine, celery leaf and chive aromas. On the palate, it is medium bodied, with a firm round mouthfeel, and medium-plus acidity. It is dry and has good balance. There are flavors of white peach, flinty minerality, pink grapefruit, gooseberries, and fresh green herbal notes
