TAYLOR FLADGATE

50 Year Old Tawny Porto "Golden Age"

97 Points

The NV 50 Year Old Tawny Port is a field blend bottled with a bar-top cork in 2022 and with 158 grams of residual sugar. Mature, with dark chocolate nuances, this is rich, deep and sensationally delicious. The concentration is exceptional too. Then, there's the long, long finish, filled with fruit and sugar. It is irresistible, in addition to being nuanced and complex. It's young enough so that it is never just a curiosity. The fruit is certainly not cracking.
