ZIND-HUMBRECHT

Gewurztraminer Clos Windsbuhl 2020

95 Points

Very fragrant nose of yellow and pink roses with plenty of turkish delight. Very concentrated, but the fine tannins and excellent freshness (in spite of modest acidity) give this a wonderful balance, which makes this frankly off-dry gewurz hard to resist. And the turkish-delight finish is also something else! From biodynamically grown grapes. Drink or hold.
