Prélude Grands Crus

93 Points

The NV Champagne Grands Crus Prelude Brut is also based on the 2018 vintage and moves into a bit more decadence with crème brûlée, white flowers, red berries, and crushed chalk. The palate has an opulent mousse, although it is clean on the long finish, with orange marmalade and lightly confected fruit. With its more luxurious feel and a refreshing spine of acidity, this wines offers a lot of pleasure. Drink 2022-2034.
