Te Kahu Gimblett Gravels Vineyard 2019

91 Points

Vigour and verve with deep fruit, this is serious wine with a fun personality. Lovely cigar box aromas, think dry ground late sunny afternoon, a little bit of prune, cherry blossom but just wait for the elegance on the palate. Winter warming comes from the more savoury side, that alluring warmth of dusty earth, the feeling of stretched out heat under the vineyard that the fruit clings to, evident from the initial sip to the lengthy finish.
