ALTA VISTA

Estate Malbec 2020

89 Points

It opens with a black raspberry and pomegranate bouquet with hints of musty earth. On the palate, this wine is medium plus bodied with plus acidity. The mouthfeel is round, rich and savory. The flavor profile is an extracted blackberry and black olive blend with notes of pomegranate, oak, and black licorice. I also detected hints of black pepper and spiced black plum. The finish is dry, and its concentrated flavors linger and last for a while.
