NORTON

Lote Negro 2021

93 Points

I found a lot more elegance, freshness and integration of oak in the 2021 Lote Negro than in the 2020 that I tasted next to it. The Malbec comes from Los Chacayes and the Cabernet Franc from Altamira, both IGs in the Valle de Uco. It's still ripe and powerful, with around 14.7% alcohol, and it has abundant tannins that might require some more time.
