Il Bugiardo Ripasso Valpolicella 2017

92 Points

The 2017 Valpolicella Classico Superiore Ripasso Il Bugiardo displays an inviting mix of blackberries, sage, roses, chalk dust and hints of camphor. This is full-bodied with depths of silky textures and a dense core of dark fruits and minerals that are not quite ready to reveal all of their charms. The 2017 has a bit of a monolithic feel today, yet it's also perfectly balanced, with a structure that can carry it for many years in the cellar – which would be advisable to allow it to unwind a bit.
