BUGLIONI

Il Lussurio 2015

95 Points

The power but also vibrancy of the fruit on the nose is very impressive. Dark plums, incense, tar, dried meat and elderberry compote are out in full force. The soft fruit would be enough in itself, but its enveloped in meaty, chewy tannins that give this imposing structure and form. The finish is long and powerful and the hints of earth give a savory edge to this robust Amarone.
