WINE ENTHUSIAST MAGAZINE

ZIND-HUMBRECHT

Muscat Turckheim 2020

92 Points

You could spend an hour nosing this wine and still find things to discover. Eucalyptus and chamomile flowers are prominent and intense, but you'll also get ripe peach skins, gardenia and a little bit of chervil. The plump, round palate leans into peachy notes, as well as grapefruit and the finish is long and refreshing with a lingering impression of peach gummy and slate. With all of these great aromatics, this wine could pair with a variety of tricky food like garden salad or artichokes, but it's also just a joy to sip on its own
