BISERNO

Biserno 2020

96 Points

The 2020 Biserno is one of the best wines I can remember tasting here. Rich yet vibrant, the 2020 presents a much more restrained style than was once the norm. There is still plenty of intensity, but energy and vibrancy have replaced volume as signatures. Espresso, menthol, licorice, cloves and leather are some of the many notes that build in this powerful, elegant Maremma red. Gorgeous Franc aromatics open the finish effortlessly.
