RÉSONANCE

Resonance Vineyard Pinot Noir 2021

93 Points

Darkly floral and brooding, the 2021 Pinot Noir Résonance Vineyard slowly evolves with an earthy blend of woodland berries, underbrush and licorice. This is a lifted and pure style, with vibrant acidity enlivening tart red berries and hints of sage as savory spices form toward the close. The 2021 finishes structured and long yet remarkably fresh, as a saturation of fine-grained tannins adds a classically dry sensation.
