## SAN GUIDO

*Le Difese Toscana IGT 2021*

# 91 Points

The 2022 Le Difese is made with 60% Sangiovese and the rest Cabernet Sauvignon and includes some grapes purchased from the Chianti in Ruffina to enhance the wine's aromatic profile and freshness. The grapes see maceration on the skins for 15 days, then are aged in used barrels for eight months. Deep ruby with a tinge of light purple, this 2022 is aromatic of anise, fresh leather, and spiced cherries. Medium to full-bodied on the palate, it has ripe tannins, with a clean mineral touch. It's approachable and offers a supple texture with an open drinking window over the coming 6-8 years
