The Independent Consumer's Guide to Fine Wines

CRAGGY RANGE

94 Points

The 2020 Aroha Pinot Noir leads with roasted cherry, pink peppercorns, Sichuan peppercorns and pomegranate molasses on the nose. In the mouth, the wine is taut and fine, with a silky flow of flavor that trickles through the fine tannic structure. All things are in place. It is both svelte and harmonious, powerful and long, and it's exciting drinking; the 70% whole bunch brings a swathe of exotic spice to the show and sits within the fruit and experience as a whole. This has a long future ahead, make no mistake.
