SETTE PONTI

Crognolo Toscana IGT 2021

92 Points

The organic Tenuta Sette Ponti 2021 Crognolo is a mid-entry blend of 90% Sangiovese and 10% Merlot that goes into oak for up to 14 months. Fruit is harvested from a historic clone of Sangiovese found on this estate. The wine shows dark concentration, certainly more than you'd expect from Sangiovese, with lots of cherry, spice and blue flower that ties directly into the Merlot. It offers a medium to full-bodied texture with fine, chalky tannins.
