SETTE PONTI

Sette Toscana 2020

91 Points

The organic Tenuta Sette Ponti 2020 Sette is all Merlot from a vintage that saw rain toward the end of the season. The fruit is sourced from seven separate parcels and was harvested in early September with a careful berry selection process. The results are thick and sticky with blackberry preserves, spice, cinnamon and exotic spice. The wine offers a concentrated, full-bodied mouthfeel with a powerful 15% alcohol content. It's big and generous, almost to a fault.
