TAITTINGER

Comtes de Champagne Blanc de Blancs
2014

96 Points

The 2014 Comtes de Champagne is a fine follow-up to the 2013. It shows the more linear personality of the year, with plenty of energy driving its overall feel. The fruit profile is on the riper side, but the wine has a decidedly lithe build that is quite attractive. Hints of yellow orchard fruit, chamomile, dried flowers and crushed rocks linger. This bottle was disgorged in July 2023, ahead of the commercial release. The 2014 is hugely promising at this early stage.
