MICHELE CHIARLO

Cannubi Barolo DOCG 2019

94 Points

This wine takes time to develop in the glass and will benefit from time in the cellar, but it is always worth tasting a wine in its youth to understand it. This Barolo's aromas meander out of the glass, swaying between crushed raspberry and macerated cherry, then amaro-like herbs, rosewood, cedar and baking spices. Firm and sturdy on the palate with tannins that mean business, the black cherry fruit sits at the core with wild thyme, licorice and leather holding court. Ensure to have a heart dish with this wine.
