CAKEBREAD

Suscol Springs Cabernet Sauvignon 2021

91 Points

Cakebread's 2021 Cabernet Sauvignon Suscol Springs offers up scents of cherries and raspberries, framed by oaky, cedary notes. It's medium to full-bodied, seemingly a bit less concentrated and more supple than the winery's other named Cabernets, but it still firms up nicely on the finish. Drink it anytime over the next decade or so
