CAKEBREAD

Benchland Select Cabernet Sauvignon 2021

93 Points

Cakebread's 2021 Cabernet Sauvignon Benchland Select blends five clones from two different vineyards to yield bold scents of black cherries, cassis and mocha but also some redder berries. It's medium to full-bodied, edging just past 14% alcohol while still seeming generous and silky in feel, finishing long and harmonious, with a dusting of fine-grained tannins.
