MONTES

Alpha Carmenere 2022

90 Points

This deep ruby Chilean Carmenère has a very fragrant nose of blackberry, fresh dug earth, and notes of tar, tobacco, and kitchen spices. It is very silky, balanced, and dry on the palate, with a medium-plus body and medium acidity. Slightly concentrated and juicy. It is very approachable. I found flavors of blackberry, rhubarb, coffee, toasty oak, and black olive. It closes with fine-grained tannins and a dry long finish.
