CHÂTEAU LA NERTHE

Prieuré de Montézargues Tavel Rosé 2023

92 Points

A succulent, serious and well-weighted rosé made of grenache (blanc, gris and noir), cinsault, syrah and clairette. Aromas of small berries, apricots and mild spices. Medium-bodied with a dense core and texture at the center. There is volume and purity here, with a precise finish. Refreshing. From organically grown grapes. Drink now.
