ZIND-HUMBRECHT

Riesling Heimbourg 2022

92 Points

The 2022 Riesling Heimbourg was picked next to the Brand Grand Cru from two steep parcels, one south-west-facing, the other entirely west, rooting in poor iron-rich limestone. A touch of reduction casts a flinty haze on absolutely zesty citrus that unites Meyer lemon, grapefruit and tangerine. The palate is ripe and juicy with serene, expansive acidity that spreads a grapefruit zestiness. Beautifully nuanced aromatics make for a succulent, refreshing wine. (Bone Dry)
