ZIND-HUMBRECHT

Riesling Clos Hauserer 2022

92 Points

The 2022 Riesling Clos Häuserer is harvested at the bottom of the Hengst Grand Cru, on deep marl soils with clay, all the finer elements deposited from the decomposition of the Hengst. Ripe, juicy pear shines on the nose, edged with fine lemon peel. The palate is succulent, dripping with Mirabelle and lemon. The longer this is in the mouth, the more intense it gets. Yet the finish is relatively mild and smooth but imbued with that gorgeous grapefruit notion.
