ZIND-HUMBRECHT

Riesling Sommerberg Grand Cru 2022

94 Points

The August hailstorm hit the 2022 Riesling Sommerberg Grand Cru, which meant 50% of the crop was lost and concentrated the rest. This is from a granite site with more topsoil. Gorgeous white and yellow peach are perfumed on the nose, just edged with peach skin and citrus. The palate is absolutely pristine, so clear-cut, bell-like in its purity. It just flows. Despite its relative Niedermorschwihr mildness, the 2022 is precise, balanced, bone-dry and supremely juicy, with more lovely peach skin on the finish. (Bone-Dry)
