## PAUL JABOULET AÎNÉ

*Saint-Pierre Cornas 2021*

# 90 Points

Another outstanding wine from this team, the 2021 Cornas Domaine De Saint Pierre comes from higher elevation sites in Cornas (400 meters in elevation) and has a medium-bodied, juicy, elegant profile as well as ample darker black cherry and peppery, herbal nuances. It’s an impeccably made, successful 2021 that has fine tannins and outstanding length. Drink bottles over the coming decade.
