Thalabert Crozes-Hermitage Rouge 2022

92 Points

Leading off the 2022s, the 2022 Crozes-Hermitage Domaine De Thalabert is terrific, with up-front, ripe cassis, graphite, tobacco, and peppery, herbal notes to go with medium-bodied density and depth on the palate. I love its overall sense of balance and elegance, and it has good concentration as well as ripe tannins. It actually reminds me slightly of the 1990 (which is absolutely brilliant today).
