## MICHELE CHIARLO

*Asili Barbaresco DOCG 2021*

# 92 Points

A rich red color, the 2021 Barbaresco Asili is lifted with mint aromas of medicinal herbs, dried cherries, anise, and spices. Medium-bodied, it has balanced intensity on the palate, with angular structure and good ripeness throughout. As it opens, it becomes more rosy and floral, and it’s zesty with notes of blood orange, saline, and dusty earth, as well as a lovely mineral texture through its rather long finish. I like this one more than I initially thought. Drink it over the next 10 years.
