JEB DUNNUCK

MICHELE CHIARLO

Barolo Cerequio 2020

92 Points

A deep youthful garnet color, the 2020 Barolo Cerequio is lifted and savory with notes of tobacco, mint, dried cherries, and peppery spices. Medium-bodied, it has a nicely balanced and approachable feel on the palate, with ripe tannins, a weightless feel, and an elegant ripeness of sweet fruit evenly balanced throughout. It retains nice freshness and is going to drink well now or over the next 5-6 years.
