## SETTE PONTI

*Sette Toscana 2021*

# 98 Points

This remains one of the best merlots from Italy, even though it was first made in 2019. Violets, tapenade, lavender, blackberries and blueberries. Medium- to full-bodied with ultra-fine tannins that give presence and drive. Polished and rather endless. A merlot with structure and polish at the same time. Best after 2027.
