

RÉSONANCE

Willamette Valley Chardonnay 2022

91 Points

The 2022 Chardonnay Willamette Valley, which contains fruit from vineyards across the appellation, including Koosah, Découverte and Witness Tree, is tense and shimmery. It's scented of yellow apples, lemon peel, bread dough, cashews and beeswax. The light-bodied palate balances concentrated, nutty fruit with vibrant acidity, and it has a long, silky finish
