CHÂTEAU DES JACQUES

Moulin-à-Vent 2021

91 Points

This very dark ruby colored Gamay from the Moulin-à-Vent commune opens with a potting soil and raspberry bouquet with hints of violet and a touch of banana. On the palate, this wine is medium plus bodied with integrated plus acidity. The mouthfeel is round, voluptuous, generous, and very bright. The flavor profile is a red currant and loam blend with notes tart cherry and oolong tea. I also did detect some hints of red plum and banana in the aftertaste. The finish is dry, and its flavors and acidity are nicely extended.
