

ZIND-HUMBRECHT*Gewurztraminer Clos
Windsbuhl 2020*

95 Points

Very fragrant nose of yellow and pink roses with plenty of turkish delight. Very concentrated, but the fine tannins and excellent freshness (in spite of modest acidity) give this a wonderful balance, which makes this frankly off-dry gewurz hard to resist. And the turkish-delight finish is also something else! From biodynamically grown grapes. Drink or hold.
