BISERNO

Insoglio del Cinghiale

Toscana IGT 2020

92 Points

This dark ruby colored blend from Italy opens with a brambly boysenberry and cinnamon bouquet with hints of red currant and red licorice. On the palate, this wine is medium bodied with medium plus acidity. The mouthfeel is balanced, round and fruit forward. The flavor profile is a concentrated boysenberry, clove, and black cherry blend with notes of graphite. I also detected hints of Skoal and dried strawberry. The finish is dry and its dusty tannins and fruit stick around for quite some time.
