SALVIANO

Salviano Orvieto Classico Superiore DOC 2022

91 Points

This straw-colored wine from Italy opens with a honeydew melon and green apple bouquet with hints of crushed seashell and lemon. On the palate, this wine is full bodied with integrated plus acidity. The mouthfeel is balanced, round, bright, and fresh. The flavor profile is a tasty lemon verbena and green apple blend with notes of green tea, chalky minerality and honeydew melon. I also detected some hints of white pepper, almonds, and saline. The finish is dry, and its acidity and flavors are nicely prolonged.
