## ST. FRANCIS WINERY & VINEYARDS

Sonoma County Red Blend
2021

# 90 Points

This midnight purple colored red blend from St. Francis opens with a craisin and black raspberry bouquet with hints of eucalyptus and oak. On the palate, this wine is full bodied with medium plus acidity. The mouthfeel is balanced, smooth, and savory. The flavor profile is blackberry and stewed black plum blend with notes of stony minerality, black tea and toasted oak. I also detected hints of black pepper, dark chocolate, and spice. The finish is dry, and its flavors, acidity and moderate chewy tannins stick around for a while
