BISERNO

Biserno 2021

95 Points

Dark nose, softly herbal and fragrant, touches of sunkissed ripe fruit – raisins, figs, plums and notes of jasmine and liquorice. Smooth and supple, this has life and energy. Round and intense, with some sweet ripe cherries and blackcurrants, this feels quite a serious wine, structured and with clear muscle on show but still showing refinement in the tannin finesse and overall weight on the palate. Streamlined and focussed with power underneath – reigned in right now but noticeable nonetheless. Nice touches of graphite. and cool blue fruits help offset the sweet ripeness which is evident but this manages to walk the line between the two.
